The image shows a screenshot of the Autodesk Licensing - Activation Options dialog box. The main window displays the Autodesk logo and the title "Product License Activation Options". It lists the following information:

Below this information, there is a section for activation options:

- Connect now and activate! (Recommended)
- I have an activation code from Autodesk

The "I have an activation code from Autodesk" option is selected. Below this, there is a grid of 16 input fields for the activation code:

There is a "Clear All" button below the grid. At the bottom of the dialog box, there are "Back", "Close", and "Next" buttons. The "Next" button is highlighted with a red box and the number 6.

Overlaid on the right side of the dialog box is a smaller window titled "Autodesk Products 2012" with the "X-FORCE" logo. This window contains the following information:

- Request: 3KGA 4HNS RU0N 1Q8A D1JT TH2G 5Q72 9XTZ

Below the activation code, there are three buttons: "Mem Patch", "Generate", and "Quit". The "Mem Patch" button is circled in red with the number 1, and the "Generate" button is circled in blue with the number 3. A blue arrow points from the "Generate" button to the "Next" button in the main dialog box. The text "NORMAL" is written in blue below the "Generate" button. The text "Crypto" and "X-FORCE TEAM" are visible at the bottom of the overlaid window.
